About the Royal Mencap Society

Mencap is the leading learning disability charity in England, Wales and Northern Ireland. We work with people with a learning disability and their families to challenge prejudice and change laws, and we directly support thousands of people to live their lives as they choose.

Our vision is a world where people with a learning disability are valued equally, listened to and included. Our challenge is to make this world a reality. Right now, people with a learning disability face inequalities in every area of life. We tackle the issues head on through campaigning and the delivery of high quality support and services to the people who need us.

Thinking Big!

We need big changes, which is why we have big ambitions. By the time we reach our 100th anniversary in 2046, we want to look back on a period of historic progress for people with a learning disability and to see our long term goals realised. This starts now with Our big plan – it sets out what we're going to do to tackle inequality and change lives for the better.

Our People

We know we've got a great plan, but it's the people who work and volunteer for us who will turn our plan into real impact for people with a learning disability and their families. That's where you come in!

In return for your hard work and passion we can offer you real personal meaning and purpose in your work; and opportunities to develop as a person, supporter, expert, colleague, leader and activist; and the fun, freedom and challenge to be the best you can.

Our benefits

We have a selection of pension arrangements to suit different needs. And our brilliant Mencap Extras scheme has a range of additional benefits including:

- discounts on thousands as of high street stores
- great holiday deals
- cycle to work loans
- phone and computer loans
- childcare vouchers
- free, confidential help and advice service.

“I have worked for Mencap for the last 23 years starting as a support worker back in 1992. I love the work I do in Mencap and feel that the company works so hard to promote people with a disability.

I love the people that I work with.”

Teressa
