The Devon Clinical Placement Expansion Programme (CPEP) team is looking to recruit Long Arm Supervisors from a variety of professional backgrounds – Occupational Therapists, Physiotherapists, Nurses, Dietitians and Music Therapists. We are offering a flexible hours contract with a **£20 hourly rate** – please see job description for further details regarding terms and conditions.

Devon is currently facing a workforce shortage of allied health professionals (AHP) and nurses. Devon's CPEP team will contribute to resolving this workforce shortage by increasing AHP and nursing student placement capacity within primary health and social care services. This means that students will have an opportunity to be immersed into these services, gaining an understanding of a person's journey, their social context and holistic needs. We are keen to recruit **Long Arm Supervisors** to complement our team in this vital area. Please see the Job Description and Person Specification for further details of the role.

Applications should be made by submitting your CV **and** one side of A4 paper detailing how you meet the areas covered in the Job Description and Person Specification to [andy.smallshaw@nhs.net](mailto:andy.smallshaw@nhs.net)

The closing date for receipt of applications is at 23:59 hrs on **Friday 19<sup>th</sup> August 2022**.

Interviews will take place between 30<sup>th</sup> August and 5<sup>th</sup> September 2022.

#### **LATE OR INCOMPLETE APPLICATIONS WILL NOT BE ACCEPTED**
